AV24SS **Shower Sandal Footscrubber - Blue**

No bending or stretching with the Shower Sandal footscrubber. Simply affix it to the tub or shower floor, wet it, apply some liquid soap, and rub your foot back and forth for a thorough, refreshing foot wash. Your feet will feel clean and refreshed!

Cleans the top and bottom of foot at the same time with a single sliding motion.

Two bristle types with different stiffness levels for thorough cleaning of your entire foot.

Avoid health problems due to diabetes with improved foot cleanliness

BKH-BRAGL **Bra Angel Fastening Aid**

The Bra-Angel assists women with mild-to-moderate upper limb restrictions or limited hand dexterity due to arthritis to fasten their bra independently. It assists women who find it very difficult to bring both ends of a bra together.

The bra-angel holds one end of your bra in the hook at the end of the adjustable arm

The bra-angel hangs around your neck and is held steady by placing your chin against the heart-shape pad

With the bra-angel in-place and one end of the bra attached to the hook, you can easily pull the other around your back and clasp the bra hooks

The bra-angel "gives you a hand" when you need extra help with personal dressing problems!

BKH-CEWIP01 **Compact Folding Easywipe Toilet Aid**

Foldable toilet aid assists when reaching is difficult and travels discretely with you. Smooth, ergonomic & 15" long; holds toilet paper and releases without touching for sanitary disposal. Folds into plastic case for easy, discrete travel. Latex-free.

Built-in mechanism grips toilet paper firmly.

Curved, 15 inch long design reaches and wipes where you can't.

No need to touch tissue after use; simply push the button and the tissue is released for sanitary disposal.

Folds to half its size and comes with a hard plastic case.

BKH-CHAND Cool Hand Hot Dish Holder

Now heated plates can be carried safely direct from the microwave. Ideal for those with arthritis and limited hand dexterity, the cool hand uses the power of leverage to lift plates so that the entire hand takes the weight, not just the fingers.

Non-slip soft grip.

Easy to keep clean with no dirt traps.

One size fits most plates.

Light, strong and durable.

BKHEWIPE02 Easywipe Toilet Aid

The easywipe is a 15 inch long toileting aid that reaches and clean when pain or mobility limitations make cleaning difficult. The easywipe holds toilet paper in a flexible ergonomically designed head which releases the tissue after use without touching.

Flexible head holds toilet tissue or pre-moistened wipes

Curved, 15 inch long design reaches and wipes where you can't

No need to touch tissue after use; simply push the button and the tissue is released

Simple-to-use and easy-to-clean

Designed with Certified Hand Therapists & evaluated with individuals who suffer from chronic hand ailments. Great for sufferers of arthritis, as well as post-surgical patients experiencing hand swelling and other hand related injuries.

All seams are designed away from pain sensitive areas like base of thumb. In addition, the seams are on the outside of the glove at avoid any pressure points. This is a therapeutic glove.

Open cuff on the base of the glove provides assistance for putting on and taking off the glove. Every effort is made to add comfort to its use. This added feature is helpful especially when hand mobility is impaired.

Lightweight spandex provides even compression throughout the hand to control swelling. The gloves come in three sizes. This SKU is the Small glove size.

Also good for repetitive motion issues and general hand support to combat fatigue.

LL11D-2P Luxury Living Bumps Be-Gone Extra Long (8-pack)

Extra long adjustable hangers designed for hanging larger garments such as extra wide v-necks and plus size clothing. They allow you to hang such garments without getting those dreaded shoulder bumps that normally happen from using regular hanger.
