BKH-BRAB

Bra Buddy - Bra Fastening Aid

23927909287

The Buckingham Brabuddy takes the effort out of bra dressing completely because it not only holds one end of the bra strap, but it also brings the other end of the bra around the body enabling the user to easily couple up the hooks and eyes.

The bra buddy is suitable for ladies that have suffered a dense stroke or only have the use of one functioning hand.

The Bra Buddy is one of a kind and will make dressing a much simpler task. There is no longer a need to ask for help or buy adaptive bras.

It gives ladies the independence that they deserve.
